

TO SINGERS AND PUBLIC SPEAKERS.

Clarke & Co. Urge Them To Use Hyomei—Willing to Sell It On Approval.

A new and specially valuable use for Hyomei has been discovered, one that will be particularly welcomed by singers and public speakers.

The free use of Hyomei, breathed through the inhaler that comes with every outfit, carries healing balsams to the head and throat, and strengthens the voice. Clarke & Co. have had several of their customers to speak to them in regard to the good effects following the use of Hyomei for this special purpose, and will be glad to sell it on approval to any singer, minister, teacher, or public speaker. They feel sure that the use of Hyomei for this purpose will make many new friends for the treatment. If it does not give satisfaction, the money paid will be returned promptly and without questions.

The complete Hyomei outfit, consisting of an inhaler that can be carried in the purse or pocket, a bottle of Hyomei and a medicine dropper, costs only one dollar.

Many remarkable cures of catarrh and other troubles of the air passages have been made by Hyomei and Clarke & Co. agree to refund the money to anyone who does not find it a complete cure for any catarrhal trouble.

There is no dangerous stomach drugging with Hyomei; simply breathe it through the inhaler, and relief comes quickly.

OUTLANDISH NAME.—That there are many horses now racing in this country that have been saddled with foolish, meaningless and altogether outlandish names, has long been a subject of criticism, but we are much better off than in New Zealand, where a horse actually raced as "Here-I-Come-With-My-Eye-Knocked-Out."

It will pay you to attend Harry Simon's Special Muslim Underwear Sale all this week.

CLOTHES AND SHOE MERCHANTS.—For bargains in clothing and shoes of every description, do not fail to visit Twin Bros. This firm handles Schloss Bros' clothing, which are known the world over as the best and most durable, and they sell the W. L. Douglas shoes, \$3 to \$3.50, which are given up to be the most complete and best wearing shoes made.

THERE IS NO USE TO PAY ADVANCE PRICES ON GOODS WHEN YOU CAN GET IT AT HARRY SIMON'S AT THE OLD PRICES.

MODEST GIRLS.—The basketball game between the girls' team of State College and Jessamine Female Institute scheduled for to-morrow has been declared off because the State College team refused to play in bloomers and would not permit the Nicholasville girls to wear that style of costume.

TOMATOES.—I am offering 3 cans of the best tomatoes for 25 cents while they last.

FOUND IN TEXAS.—Guy M. Deane, the coal operator and capitalist, who has been missing since February 17, from Owensboro, was located in Waco, Texas, Wednesday. His friends believe his mind is unbalanced. He left a large sum of money in the bank, and all of his business ventures are profitable.

DELICATESSEN.—Fine country boiled ham, brick cheese and Swiss always on hand.

TRACTION COMPANY INCORPORATED.—The Bluegrass Consolidated Traction Company, combining the Georgetown-Lexington and Paris-Lexington interurban lines, filed articles of incorporation Wednesday, the capital stock being placed at \$700,000.

A New Bachelor Club.

The city of Milwaukee, Wis., made famous by a certain extent of hops, bids fair to gain notoriety from another cause. Just to preserve what they consider their right to do what they will with regard to the "happy state of cannibal bliss," the bachelors living there have organized a club known as the Ancient and Accepted Order of Peace Loving Bachelors.

The purpose of the organization is to fight leap-year proposals.

The constitution declares:

1. The name of the club.
2. The purpose of this organization shall be to protect "all members of this club from all written, spoken, suggested or implied proposals or hints" of marriage inference from any spinster or grass widow that she has an "affinity" for any club member, or any hint, inference or suggestion either open or covert, that either a "cozy corner" or a "hammock built for two" would be a good place to while away an hour or so in the gloaming.
3. If any of the contingencies referred to in Article II. of this constitution shall arise in this year's life of any member of this club, whether active or honorary, the club as a body, shall lend its entire aid, assistance, and, if need be, financial help, to freeing said member from such attentions or entangling alliances.
4. Failure of any member to report any such occurrence in his life shall subject said member to a fine of not more than \$200 nor less than \$10, according to how good looking the woman in the case may be, and to imprisonment in the grillroom for 30 days without a single highball.
5. Grass widowers and widowers shall be eligible to membership upon payment of twice the amount of the initiation fee, but they shall be accordingly given double protection in view of the fact that they are thought to be more susceptible to the charms of womankind.
6. The motto of this club shall be: "Friendship For All, Entangling Alliances With None!"

The club already has a large membership.

BADLY MISTAKEN.—During the last campaign Republicans claimed a Democratic victory would drive capital out of the State. That was simply campaign talk, however. There never has been a time, probably, when investments were on a larger scale than they will be this year. During the month of February, just closed, seventy-six companies filed incorporation articles in the department of Secretary of State. The aggregate capital stock is \$1,766,450, an increase over the filing of the month of January of \$286,850.
